

**STRONG
SMART
BOLD**

Girls Inc. of Jacksonville

Elementary School

After-School Programming

For girls in Kindergarten - 5th Grade

**girls
inc.**
of Jacksonville

Girls Inc. inspires all girls to be strong, smart and bold through life-changing programs and experiences that help girls navigate gender, economic and social barriers. Throughout the school year, girls participate in our researched-based programming focused on our core values of Strong, Smart, & Bold. Girls also receive structured programming to increase reading literacy and daily homework assistance.

Program Cycles

The Girls Inc. Experience

STRONG: Supports the whole health of all girls building the foundation for enjoying a healthy lifestyle through physical fitness, nutrition, and health education.

SMART: Empowers all girls to succeed both academically and personally to pursue their goals through reading, economic, & media literacy and academic enrichment through STEM exploration.

BOLD: Strengthens all girls through learned skills and strategies to lead safer lives in their homes, relationships, community and online. Builds unique the leadership skills of girls and creates lasting social change through community action projects.

Weekly Schedule

Girls Inc. Curriculum

Girls Inc. Curriculum cycles through the three main categories of strong, smart and bold (or healthy, educated and independent)

Social Emotional Learn

Optimizes social, academic and emotional learning, self-awareness and management. Develops assertive communication and conflict resolution skills.

GirSMART

GirSMART is Girls Inc.'s reading literacy programming. This includes Read Aloud, Novel Studies, Reader's Theater, and Words Their Way to encourage girls to read both as a group and on their own.

Choice Planning and Reflection

Staff provides the guidance to student's in making authentic choices on what activities they will engage in on Fridays. Staff will guide students in writing out a lesson and planning for; structure, supplies, space, purpose and outcomes.
