ABOUT GIRLS INC

OUR MISSION

Inspiring all girls to be **STRONG, SMART AND BOLD**

STRONG = Healthy Living & Lifestyles

SMART = Academic Success

BOLD = Life Skills Development

Girls Inc. is a nonprofit that inspires all girls to be strong, smart, and bold. We focus on girls living in poverty, setting them up to succeed in life. We provide safe spaces, mentorship, and research-based programming that help girls learn to believe

in themselves, build lasting skills, and set and achieve their goals. We also advocate with—and for—they to expand the rights and opportunities of all girls.

Girls Inc. of Jacksonville's programming – in partnership with local schools – focuses on the development of the whole girl. A combination of long-lasting mentoring relationships, a pro-girl environment, and research-based programming equips girls to lead fulfilling and productive lives, break the cycle of poverty, and lead change in their communities.

Through direct service work, we offer girls a wide array of programs to support girls and meet outcomes. Girls Inc. builds safe spaces and fosters long-term mentoring relationships for girls to develop their strengths, learn lasting skills, and take charge of their futures. We also advocate with and for girls to shift policies and attitudes so all girls can thrive.

Your investment will bring Girls Inc. to the communities that need us most. You can move us closer to a time when every girl can be strong, smart, and bold. Help Girls Inc. of Jacksonville (GIJ) in sustaining our work of inspiring all girls to be strong, smart and bold as well as increase the economic opportunities for the girls we serve by investing in our organization today.

Inspiring all girls to be strong, smart, and bold

2023 WOMEN OF VISION CELEBRATION LUNCHEON

The 2023 Girls Inc. of Jacksonville Celebration Luncheon event will take place on Wednesday, March 1, 2023 at 12pm at the WJCT Soundstage Studio. The event highlights the needs of the girls served and the impact of Girls, Inc. of Jacksonville over the past year. The 2023 Women of Vision Celebration Luncheon theme is *Hand in hand, girl for girl, together we stand*.

The event also celebrates local women in leadership and an organization within the community making strides for women and girls:

The **Woman of Vision Award** is a local Girls Inc. of Jacksonville award created to honor extraordinary women in our community who have made, and are continuing to make, significant contributions in our community and in the lives of girls and women

The **Champion for Girls Award** honors community members and an organization committed to advancing the rights and opportunities for women and girls locally, nationally and globally

There is expected to be an estimated 250 people in attendance at this event. However, we expect the reach to be over 2,000 through our print, email, and social media marketing impact.

There are sponsorship opportunities available with sponsor recognition occurring before, during, and after the event.

Contact Alexis Howard at ahoward@girlsincjax.org for sponsorship information.
