## Girls Inc. of Jacksonville

### OUR MISSION

**Inspiring all girls to be strong, smart & bold**

STRONG = Healthy Living & Lifestyles

SMART = Academic Success

BOLD = Life Skills Development

Girls Inc. is a national nonprofit that inspires all girls to be strong, smart, and bold. We are open to all girls, many who are underserved.

Girls Inc. Jacksonville is currently working in 12 schools, serving girls 5 to 18 years old. We provide safe spaces, mentorship, and research-based programming that help girls learn to believe in themselves, build lasting skills, and set and achieve their goals.

We also serve young women 19-25 with our alumni programs, traveling alongside them as they navigate young adulthood. Many of these become mentors to our younger girls.

Girls Inc. of Jacksonville's programming – in partnership with local schools – focuses on the development of the whole girl. A combination of long-lasting mentoring relationships, a pro-girl environment, and research-based programming equips girls to lead healthier more productive lives, break down barriers and the cycle of poverty, and lead change in their communities.

We offer girls a wide array of programs including those that build academic success, self-confidence, healthy living, goal-setting and financial literacy. Our mentors stay with our girls over the long-term and the relationships provide another adult in the girls' lives as a role model. Girls Inc. provides a safe space for girls to grow mentally, emotionally and academically. In essence they learn they can overcome obstacles to achieve their dreams and to help others do the same. These girls will live more fulfilling lives, have greater economic opportunity and they will be the leaders of tomorrow!

In addition, we advocate for and with girls both locally and nationally to shift policies and attitudes so all girls can thrive.

# 2024 WOMEN OF VISION CELEBRATION LUNCHEON

The 2024 Girls Inc. of Jacksonville Celebration Luncheon event will take place on Wednesday, March 6, 2023 at 12 pm at the WJCT Soundstage Studio. The event highlights the needs of the girls served and the impact of Girls, Inc. of Jacksonville over the past year. The 2024 Women of Vision Celebration Luncheon theme is *Helping Girls become Focused, Fierce and Fearless*.

The event also celebrates local women in leadership and an organization within the community making strides for women and girls:

The **Woman of Vision Award** is a local Girls Inc. of Jacksonville award created to honor extraordinary women in our community who have made, and are continuing to make, significant contributions in our community and in the lives of girls and women

The **Champion for Girls Award** honors community members and an organization committed to advancing the rights and opportunities for women and girls locally, nationally and globally

In addition to 300 people filling the WJCT Soundstage Studio, we anticipate reaching an additional 2,000 through our print, email, and social media marketing impact.

There are sponsorship opportunities available with sponsor recognition occurring before, during, and after the event as well as throughout the year! Your sponsorship of the 2024 Celebration Luncheon is an investment that will help Girls Inc. in our work to inspire the next generation of Strong, Smart and Bold girls!

Contact Melanie Saxon at [msaxon@girlsincjax.org](mailto:msaxon@girlsincjax.org) for sponsorship information.
